

## LATHER - The Aromatherapy Collection

### The Collection:

A lifelong migraine sufferer, beauty entrepreneur and wellness pioneer, Emilie Davidson Hoyt, founded LATHER in 1999 as a natural skin care alternative. Based in Los Angeles, California, LATHER offers botanically-based products for skin, hair and home that feature gentle-yet-effective formulations and some of the world's most unique ingredients. The Aromatherapy Collection draws on LATHER's most popular retail products and offers a different aromatherapeutic scent in each item.
