

## Molton Brown - 1973 Collection

### The Collection:

With expertly blended products that help your guests look and feel tip-top – whether their visit be for work or play – Molton Brown amenities are a part of their stay that they'll remember long after the fragrances fade. Molton Brown are London's fragrance experts, demonstrating an ability to instinctively know what works and what is coming next. The 1973 Collection honours the year Molton Brown was founded and draws inspiration from its roots as an authentic apothecary.
