

Serendipity

The Collection:

Inspired by Australia's natural beauty and utilising the best of its native botanicals, the Serendipity Collection is a luxurious range of Australian bath and body care products that truly is a 'lucky discovery' for users. We proudly blend our liquid formulations, triple mill our shea butter soaps and infuse our bath salts in Melbourne, Australia. With clean air and pure water, it is the perfect place to start when producing the finest products to cleanse, nourish and revive your hair and skin.
