GILCHRIST & SOAMES®

Gilchrist & Soames stands as one of the most renowned and respected bath and body brands in the world. With a name that has echoed throughout the finest hotels, spas, resorts, and private residences worldwide for over forty years, it is their passion for pure and innovative products that sets them apart. What gives G&S such sweeping global reach is not only the supreme value that they place on creating the finest bath products available, but also their unwavering commitment to environmental stewardship and clean, skin-friendly formulations.

Gilchrist & Soames heritage is steeped in the rich and established customs of fine English toiletries, married with years of operational savvy required to service hotels around the globe. They've never forgotten that the craft they pursue is a traditional one, and they are proud to offer classic and time-honoured formulations, carefully blended with updated technologies and innovative processes, thereby setting the highest standards for the toiletries market worldwide.

Retail bottles are the star attraction of the Disappearing Mini Bracket dispenser solution!

Disappearing Mini-Brackets

Products in mini-bracket dispensers are offered in hygienic closed system bottles with discreet liquid viewing windows, so Housekeeping knows when it's time to replace and recycle. The individual aluminium mini-brackets are mounted easily with 3M tape and remain hidden behind each bottle. The bracket can be opened using the key and is attached by sliding the bottle on and closing the lid to secure.
